- Ensure that the microphone and speakers on your laptop both are muted – Failure to do so will cause feedback in the room

- We have received negative feedback from attendees at previous F2F events regarding sessions where someone was a remote presenter
- If you have absolutely no other option than presenting remotely:
 - **YOU MUST USE A HEADSET**
 - No use of speaker phones
 - No use of built-in laptop mics/speakers
 - **YOU MUST BE IN A QUIET LOCATION**
 - No airports, coffee shops, internet cafes, bullpens, or common family areas with background noise
