# Anti-Trust Policy Notice

- Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.
- Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrustpolicy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrove of the firm of Gesmer Updegrove LLP, which provides legal counsel to the Linux Foundation.

# Code of Conduct

- The Linux Foundation and its project communities are dedicated to providing a harassment-free experience for participants at all of our events, whether they are held in person or virtually. Linux Foundation events are working conferences intended for professional networking and collaboration within the open source community. They exist to encourage the open exchange of ideas and expression and require an environment that recognizes the inherent worth of every person and group. While at Linux Foundation events or related ancillary or social events, any participants, including members, speakers, attendees, volunteers, sponsors, exhibitors, booth staff and anyone else, should not engage in harassment in any form.
- For the complete Code of Conduct, please see <https://events.linuxfoundation.org/about/code-of-conduct/>

# PLEASE REGISTER!

if you have not already done so

- This is a personal request from the staff; doing this makes our lives much, much easier :-)

**Session Notes** <https://wiki.lfnetworking.org/x/sgEDAw>

- You will upload your recordings and presentation materials to the page(s) you have already created

# Presenters and Hosts

- **Verify your Session Page** exists
- **Connect to Zoom**
- **Claim the Host role** (*see instructions emailed to the presenters list*)
- **Start the recording**
- **Stop the recording** when session time is up
- **Rename your recording** to something besides `zoom_0`
- **Upload your materials & recording** to your session page
- **Link your proposal entry** to your session page
  - TIP: *Look for your minutes page under “Recently Viewed” in the link popup.*
- **Edit the Daily Summary**

# Daily Summaries @ 16:30 UTC

<https://wiki.lfnetworking.org/x/LYJXAw>

- Add a new table row for your session under your Project name
- Limit your entry to one or two key bullet points
- Provide the link to your session page for details and slides
- Community leads will highlight what they consider to be most relevant for the entire LFN during the daily review

# Event Survey

- Will share the link in the next day or two
- Depend upon this input to adapt and adjust these events to meet community needs
- Also it is another thing that is super important to the staff, please and thank you! ;-)

# Upcoming Events
