

The background of the slide is a close-up, shallow depth-of-field photograph of golden wheat stalks. The wheat is in sharp focus in the foreground, with the background softly blurred, creating a warm, sunlit atmosphere.

Anti-Trust Policy Notice

- Linux Foundation meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.
- Examples of types of actions that are prohibited at Linux Foundation meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrustpolicy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrave of the firm of Gesmer Updegrave LLP, which provides legal counsel to the Linux Foundation.

Code of Conduct

- The Linux Foundation and its project communities are dedicated to providing a harassment-free experience for participants at all of our events, whether they are held in person or virtually. Linux Foundation events are working conferences intended for professional networking and collaboration within the open source community. They exist to encourage the open exchange of ideas and expression and require an environment that recognizes the inherent worth of every person and group. While at Linux Foundation events or related ancillary or social events, any participants, including members, speakers, attendees, volunteers, sponsors, exhibitors, booth staff and anyone else, should not engage in harassment in any form.
- To report an issue, please contact Emily Ruff (eruff@linuxfoundation.org)
- For the complete Code of Conduct, please see <https://events.linuxfoundation.org/about/code-of-conduct>

Welcome to Seattle!!

- **Upload & share your photos from the event:**
<https://wiki.lfnetworking.org/x/IALJB>
- Remember to get your badges tagged at the reg desk in the morning
- Ask for consent before shaking hands, hugs, etc.
 - Interaction buttons available at Reg desk
- Be kind to each other: this is all new again!

Registration

If your badge says “Developer and Testing Forum” at the bottom, then you are all set - nothing more to do

Plan for the Week

- **Today:**
 - Single LFN track cross-community sessions
 - SONiC Workshop
- **Friday:**
 - Project break-outs
 - Hands-On CNF Tutorial
- Lunch on your own both days
- Jill Lovato and Sandeep Panesar may ask to interview some of you about your experiences with open source

Streamlined Format This Time

- No Daily Summary sessions
 - Please still update the wiki page though (see link later)
- No Closing Town Hall

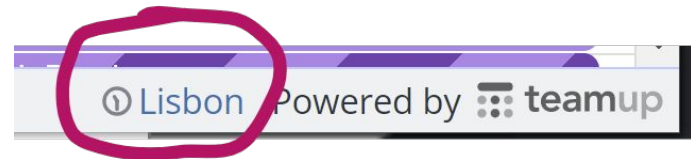

There will be a small reception tonight

- Enjoy seeing your colleagues face to face again!
- Continue the project collaboration discussions from our today's session

Event Schedule

- **REMEMBER!**
TeamUp does NOT auto-refresh after a schedule change
 - Please do a reload after breaks
- You can change the timezone in the lower right corner of the TeamUp page if needed

Attendee Communications

- LFN Tech Slack instance
 - lfntech.slack.com
- Invite link ----->
- Getting Help:
 - Your event committee reps
 - *#helpdesk* channel in Slack
 - Email to events@lfnetworking.org

D&TF events are self-service by design - This means that everything is provided on a “best effort” basis only

- Zoom bridges have been assigned to all of the rooms (except for the Juniper room)
- Someone in the room will need to join the bridge from their laptop
- Connectivity and ability to hear what is going on in the room is not guaranteed
- We have a few Bluetooth speakers we can loan out, but if you borrow one we assume you can figure out how to use it

Please do not confuse LFN Staff as being your A/V tech support.

Room Assignments: Thursday

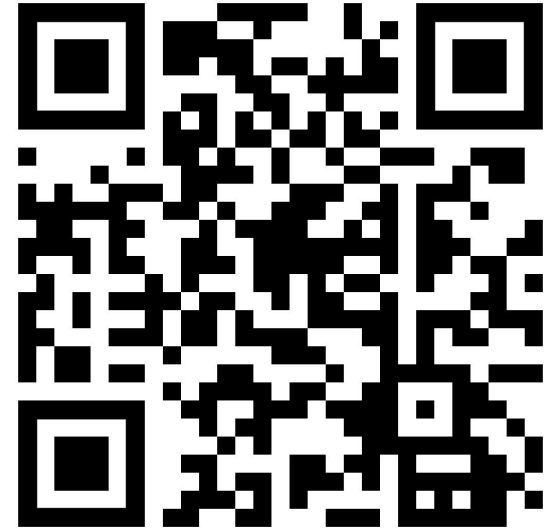

- **Willow A/B:** Plenary Sessions
- **Redwood:** ONE-SONiC Workshop
- **Cedar A:** ONAP Special TSC meeting (1 session)
- **Juniper:** Ad hoc meetings

Room Assignments: Friday

- **Willow A:** ONAP track 1
- **Willow B:** ONAP track 2
- **Redwood:** CNF Tutorial
- **Aspen:** OpenDaylight
- **Cedar A/B:** FD.io
- **Juniper:** Anuket (1 session) + Ad hoc meetings

Topic Pages

- Contain all the session details
- Zoom links are in the schedule
- Presenters are responsible for uploading their presentations and Zoom recording to their topic page
- If you are looking for content for a session and cannot find it on the page, please contact the presenter

Thank You Presenters!

IMPORTANT!

You have been added to the DTF presenters list
lfn-dev-event-presenters@lists.lfnetworking.org

- That list will be used for all communications that affect you
- An important email with instructions was sent out last night
 - If you did not receive this email please check your spam/junk folder
 - If it isn't there please send an email to events@lfnetworking.org

Please Remember to...

- **Connect to Zoom**
- **Claim the Host role** (*see instructions emailed to the presenters list*)
- **Start the recording**
- **Stop the recording** when the time is up
- **Rename your recording** to match your session
- **Upload your materials & recording** to your Topic page
- **Edit the Daily Summary**

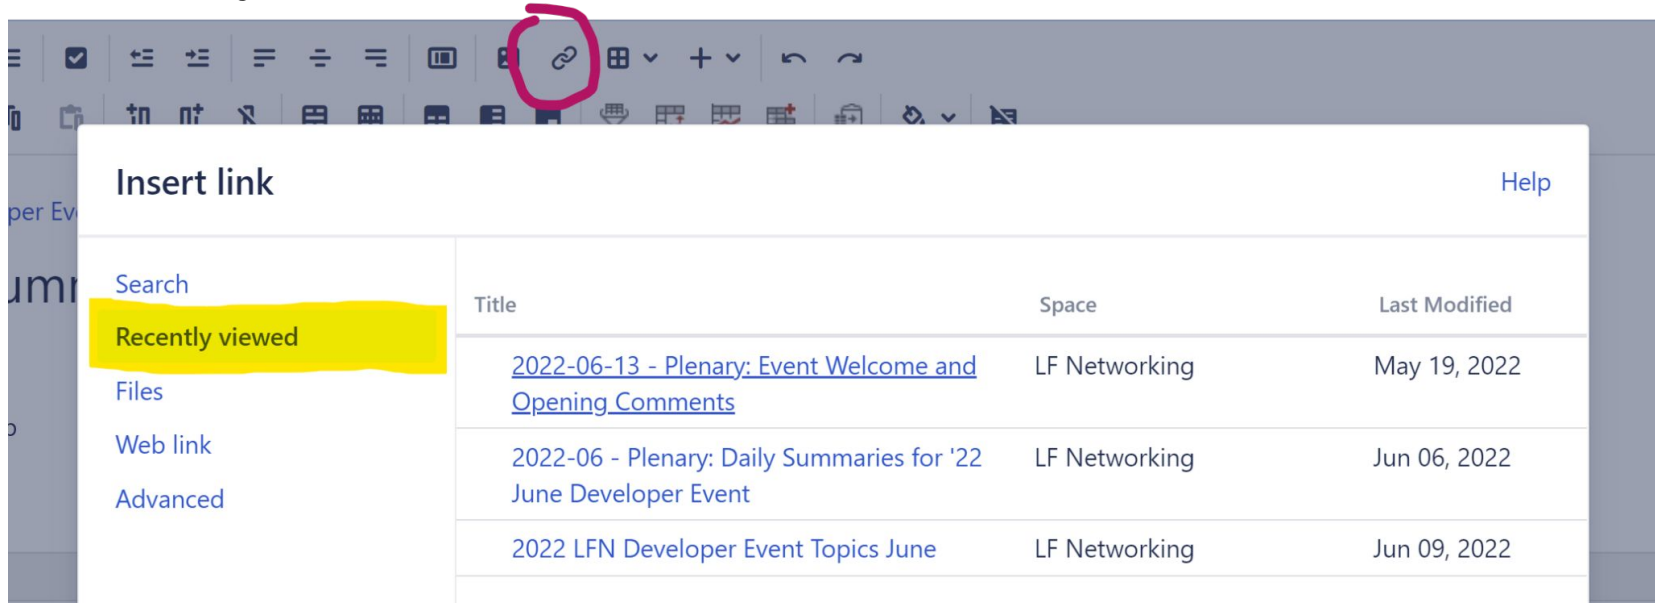

Daily Summaries - Wiki updates only

- Add a new table row for your session under your Project's section header (if needed)
- Limit your update to one or two key bullet points
- Provide the link to your session page for details and slides

Summary Page Pro Tip

When adding the link to your session look at the “Recently Viewed” option in the menu.

The screenshot shows a user interface for inserting a link. The top toolbar contains various icons, with a link icon (a chain link) circled in red. Below the toolbar, the 'Insert link' dialog is open. On the left side of the dialog, there is a vertical menu with options: Search, Recently viewed (highlighted in yellow), Files, Web link, and Advanced. On the right side, there is a table with columns for Title, Space, and Last Modified. The table contains three rows of data.

Title	Space	Last Modified

Closing Thoughts

Heather Kirksey
VP, Community & Ecosystem

A close-up, low-angle shot of a golden wheat field under bright, warm sunlight. The wheat stalks are in sharp focus in the foreground, with a soft, blurred background of more wheat and a bright, hazy sky. The overall color palette is warm, dominated by yellows, oranges, and soft whites.
