Diversity & Inclusion Initiative at LFN Events

Education and collaboration are vital to the future of the LFN community, and it is imperative to us that everyone in the community that wants to participate feels welcome to do so regardless of gender, gender identity, sexual orientation, dis/ability, race, ethnicity, age, religion or economic status. Our [code of conduct](https://wiki.lfnetworking.org/x/lQEQAg) outlines our expectations for all those who participate in our community, as well as the consequences for unacceptable behavior.

Expected Behavior

All event participants, whether they are attending an in-person event or a virtual event, are expected to behave in accordance with professional standards, with both this [Code of Conduct](https://wiki.lfnetworking.org/x/lQEQAg) as well as their respective employer’s policies governing appropriate workplace behavior and applicable laws.

What To Do If You Witness or Are Subject To Unacceptable Behavior

If you are being harassed, notice that someone else is being harassed, or have any other concerns relating to harassment, please contact a member of the conference staff immediately at events@lfnetworking.org. You may also reach out to event staff via the LFN Slack Channel. You are also encouraged to contact Emily Ruf, Event Manager, at eruf@linuxfoundation.org.
