Welcome to the LFN DTF Workshop

The LFN DTF Workshop is a special follow-on event from the January LFN Developer & Testing Forum and will be focused on continuing cross-project collaborations. The event will be held virtually March 14 & 15. The event will be held virtually March 14 & 15 and will use a combination of online tools to create a productive and interactive virtual meeting environment. See the schedule at the link below and attend the sessions of most interest to you.

Details for Presenters:

- Please use the 2022 LFN DTF PPT Template for your presentations.
- We encourage you to use the following virtual background if your systems supports it: LFN Zoom Background Image
- Sharing must be started by the host account.
- Please watch this video by Scot Steele for tips on claiming the Zoom Host roll, recording your session, and uploading your slides and session recordings to the wiki.
- Create a dedicated Session Page for your session content by clicking one of the “Create Session Page” buttons
- Connect to Zoom using the link in TeamUp for your session - No special login required
- Claim the Host role (see instructions emailed to the presenters list)
- Rename your recording mp4 from the default to match the name of your session
- Upload a PDF of any presentation materials to your session page
- Upload your recording to your session page
- Edit the proposals page and add the link to your session page
  - TIP: Look for your minutes page under “Recently Viewed” in the link popup.
- Edit the Daily Summary and add a one or two sentence summary and a link to your session page

LFN Staff Support
The helpdesk channel on the **event slack instance** is the best option for general questions and assistance

Alternatively, you can email **events@lfnetworking.org**
