Open Action Items

Task report

Looking good, no incomplete tasks.

Agenda & Minutes

Standing Items:

- Review Open Action Items (from weekly meeting minutes)
- Review Open Issues in Gitlab
 - PR from Yan has been reviewed and approved

Topics for this week:

- Scot and Olivier - Share highlights from meeting with CNCF on Jan 17th (Taylor, Lucina, and Watson from CNCF and Scot, Olivier from LFN /Anuket).
- All - Discuss our plan below. Specifically:
 - **Any key tasks missing or unclear?**
 - **Any roadblocks or hinders to progress? For example:**
 - Clear position from Anuket on requirements and tests necessary for first version of Certified R2 CNF
 - Dual membership requirement today for CNCF and LFN badges (may limit our ability to collaborate)
 - Anything else?
 - **Upcoming opportunities to contribute?**
 - Monday or Tuesday Jan 30-31 (Working to arrange another meeting w/CNCF to continue detailing how we collaborate around RI2 and the work with Certified R2 CNFs.)
 - ...
 - We need Badge Workstream leads to help us progress!
