## Schedule modification process

Any of the unallocated spaces in the schedule are available for your use. Please reserve your space by modifying the table and insert your topic and coordinators name. Please be careful not to modify other meetings other than your own.

- **If there is no conflict with an existing session**, simply add your session
- **If a conflict exists** it is the Speaker's responsibility to negotiate the change with the other Speaker to swap.

Please remember to update the [topic list](#) with more details so that potential attendees have more than just a title to go on...
