Minutes

Meeting did not occur

- Did not hit a critical mass on participants to review the lab applications, these will be tabled until next week.

DDF Recap

- Had 2 successful session on CVC and OVP programs. First was overview of OVP at large and work completed to date, second was a working session to develop a work plan for the VNF validation testing (i.e. execute on the MVP)
- Outcomes of the working session and notes were captured here: [2019 - OVP MVP Planning](#)
- TOSCA teams also had two work sessions to plan work required to complete the MVP milestones for TOSCA based VNFs.

VeorEir Lab Application

- Deferred to next meeting.

CAICT Lab Application

- Deferred to next meeting.

Any other business

- None.
