Agenda

- Task report
- Housekeeping Items
- TOSCA VNF Validation Testing Workflow
- HEAT VNF Validation Testing Updates
- Any Other Business

Minutes

Housekeeping Items

- Time of Call:
  - Doodle poll: https://doodle.com/poll/r39un4wgw8rymu7f
  - Consensus to keep our slot, Monday, 10am Eastern USA.

TOSCA VNF Validation Testing Workflow

- ☑ Weitao Gaoto present TOSCA work during next CVC meeting, July 29, 2019.

HEAT VNF Validation Testing Updates

- Test cases are working, some automation work has been completed.
- Working to integrate package validation (i.e. previously released testing).
- Need to get a meeting with the Dovetail team to align output / log file formats. Aiming for a little change on the portal side as possible.

Any Other Business

- None

Outstanding Action Items

Task report

Looking good, no incomplete tasks.
