Meeting Minutes

OVP Hacking Track for VNF Vendors at next LFN DDF/Plugfest

- Presentation from [Amar Kapadia](#)
- [Amar Kapadia](#) and [Pierre Lynch](#) will lead this effort
- Next steps:
 - Create a "home page" on the Wiki to organize / track this effort
 - Develop outreach list and messaging for potential VNF participants
 - Organize test lab resources
 - Document additional tests for "bonus tests" beyond the OVP compliance and life-cycle tests
- Next check in for CVC: September 9 meeting.
 - Heather will provide an update from the Marketing Group on this topic.

TOSCA VNF Validation Updates

- TBD

HEAT VNF Validation Updates

- Putting finishing touches on things, i.e. working with integration teams to align commits, etc.
- Team does have a sample set of results to review with the Dovetail portal team. Going to put this onto the Dovetail meeting for Wednesday, 9am Eastern USA time.

ONS Europe 2019 & CNTT Face-to-Face Planning

- Proposed Unconference Sessions ([Unconf Schedule, Sept '19](#)):
 - OPNFV Verification Program (OVP) Meeting
 - Focused on OVP outreach / education?
 - Test frameworks and tools for CNTT
 - CNTT reference implementation and verification in OPNFV
 - LFN MAC Meeting
- CNTT Face-to-Face (Thursday / Friday):
 - TBD
- Critical Topics:
 - Role of CVC compared to CNTT, with respect to compliance programs
 - Tool sets required for testing
 - Test plan documentation, structure, format, and where is this kept
 - Test results format and requirements

- [Lincoln Lavoie](#) to create a Wiki page to track input and topics for the CNTT Day 2 session on Testing and Certification.

OVP 2019 Release Planning

- Discussion:
 - Keeping NFVI and VNF (and future) badges / programs to a single release schedule.
 - Keeps badges align (i.e. 1 version for multiple programs, e.g. 2019.04)
- Aiming for release by end of 2019 calendar year (includes)
 - VNF:
 - Update to VNF Compliance testing, based on ONAP EI Alto release
 - First release of VNF Validation (live-cycle), based on ONAP EI Alto release
 - NFVI:
 - TBD

Any other business
