

Key Actions List

Running List of Action Items from the Governance Steering Committee (GSC). Started as of the 10-17-2019 Governance Steering Committee Meeting.

14 Nov 2019

- ☐ **F2F Planning** - Assess opportunity for GSMA offer to host London CNTT event in 2020 [Rick Tennant](#)

31 Oct 2019

- ☐ **RI and RC WS** [Qiao Fu](#) [Michael Fix \(AT&T\)](#) let governance know when ready to give healthy update on RI and RC and will schedule extended time box during governance call. Walk thru/demo also recommended.
- ☒ **Governance** Jonathan Beltran send out CNCF TUG link to list services to solicit folks to attend KubeCon NA 2019 and link to Brainstorming agenda items.
- ☐ **Prague F2F Planning** [Rick Tennant](#) for Prague F2F planning develop specific use cases for hack sessions.

24 Oct 2019

- ☒ **F2F Workshop Planning WS** to have rough outline of agenda for review by Gov in a couple weeks. Rick Tennant
- ☐ **Governance Strategy & Oversight WS** work to develop process and procedure document initial version, review with community for approval in 4-5 wks.
 - ☐ Process and procedures should have pathway to fold CNTT into OPNFV/etc. [Beth Cohen](#) volunteered to help align here.
- ☒ Per Gergely Csatai there is a offer to help provide a Lab in Slack. Can someone (Michael Fix (AT&T)?) check that out?
 - ☒ **MikeF - Status 11/14 (Closed).** Addressed Jean Pierre's initial concerns/questions in email, and informed him that CNTT is available for additional dialogue at any time, especially with any information where Jean Pierre believes his Company can be of assistance. **Status (10/24):** We received questions via email from jeanpierre.roquesalane@dell.com about Lab Ownership, Support, Requirements, etc, Jean Pierre has also expressed an interest to see if he (his team) can be of assistance to our team. We've prepared a response to Jean Pierre's questions, and will be contacting him to discuss where his team can be of service.
- ☒ **All** - if anyone would like to help plan for Prague F2F Workshop please join the **F2F Workshop Planning WS**. [Jim Baker](#) and [Rick Tennant](#) are co-leads.
- ☐ Post write up of MWC LA 2019 for folks to review [Mark Cottrell](#)

17 Oct 2019

- ☐ Work [Heather Kirksey](#) to respond to Light Reading article, update overall messaging [Mark Cottrell](#)
- ☒ Put CNTT overview slides on wiki for use Mark Cottrell
- ☐ **All** - form a marketing strategy and messaging to include CNFs in messaging, .e.g. RC3 will likely turn towards CNFs
- ☐ **All** - RI needs additional leads/contributors
- ☐ **All vendor partners** - review and consider filling gaps in CNTT WS as per CNTT Structure ppt.
