Getting there and away

While there is public transport from the airport, it is cumbersome with several transfers. The general advice from our hosts is to use the **FIXED PRICE** taxis from the airport to your destinations. For other transportation needs while in attendance, public transport is available and easy to use, Uber is available, and taxis are available but considered less desirable due possible pricing ripoffs.

Lodging

There are two nice hotels nearby the Prague Conference Center - the Holiday Inn and the Corinthia - there is no negotiated rate for the LFN event - but the rates are very reasonable. LFN is not hosting breakfast, so you may want to select an option that includes that meal. A prior visitor recommends the Corinthia (Rabi Abdel)....
