Minutes:

- Baldy:
 - All Issues are currently logged in and will be used for reporting/tracking purposes.
 - any new Issue should be reviewed by the corresponding WSL and should be marked as "Backlog" if not in the scope of existing release.
- General Agreement on the ONES LA.
 - [Agenda Topics: Technical](#)
 - All WSL/Co-Leads to review for the last time and send any feedback/concern to Rabi by End of Friday (it will be very hard to change the agenda after that date).
- Contribution Guidelines:
 - Usage of Labels simplified.
 - WSL has responsibility to assign those labels and making sure the process is followed.
 - WSL needs to attract reviewers into PRs.
 - WSL need to visit GitHub repository everyday to un-block PRs.
 - WSL should **"Return"** a PR if it doesn't contribute to the Release in hand.
 - minor bug fixes and enhancement are still OK.
- Hallasan Release Planning:
 - All WSL to fill in [CNTT Hallasan](#) page to be used for the roadmap planning next session.
- Logistics:
 - Meeting time will be set to 30 minutes and new RI-2 WSL/Co-leads will be added to the meeting invites.
