FD.io Mini-Summit at LFN Developer Forum

This page is for the FD.io min-summit following the LFN-wide Plenary sessions on Monday.

- Room: Hancock Park
- Zoom Bridge : https://zoom.us/j/523917901

Join us at the FD.io Mini summit at ONS, to hear and learn from FD.io community experts who will be sharing information about the projects, use cases, capabilities, integration between FD.io and Kubernetes/ODL/OPNFV/Other communities, tools and many more exciting topics. This is a great opportunity for the ONS attendees to share their thought leadership and innovations at one of the industry's premier events.
