2020-04-02 - [CNTT - RA2] - Meeting Agenda and Minutes

Attendees:

Please add your name in here:

- Tom Kivlin
- Peter Woerndle (Ericsson)
- Gergely Csatari (Nokia)
- Trevor Cooper (Intel)
- Prabhu Balan (Vodafone)
- Ulrich Kleber (Huawei)
- Pankaj Goyal (AT&T)
- Toshiyasu Wakayama (KDDI)

Agenda and Minutes:

- Antitrust notices
  - Linux Foundation Anti-Trust Policy Notice
  - GSMA Anti-Trust Policy Notice
- Walk-in items:
  - https://github.com/cntt-n/CNTT/pull/1379
    - Tom agreed with points 1/2 from Gergely
    - Principle compliance should be made, unless there isn't an option that complies with all principles
    - Do we need a discussion about "open source" - what it means - is an open source software owned by one company with contributions only from that company any better than proprietary? Yes - but not in this PR :) Tom Kivlin to raise an issue.
- Agenda:
  - Project Review: https://github.com/cntt-n/CNTT/projects/10

- AOB
  - N/A
