

2020 April Virtual OPNFV Schedule DEPRECATED

DEPRECATED. Please refer to: <https://wiki.lfnetworking.org/x/WwUQAg>

The following schedule is a proposal for the times for presentation of all OPNFV events AND the events of general interest for the April 2020 technical meetings. For simplicity, all events start at the top of the hour. Please move your sessions to any free spots to better meet your needs. Red shading indicates external dependency and cannot be moved.

Color	Meaning
RED	External dependency - cannot be moved
BLUE	Communal interest
GREEN	CNTT participation requested
