## Minutes

**White paper**

- Final review in process
- Solution provider perspectives were removed in current draft
    - feedback from Dr. Feng at LFN GB asked why there was no perspectives from soln providers
    - Potentially release WP now and update in the future w insight from service providers (case studies)
    - LF in review stage of WP and has been shared with LFN board
        - LFN recommendation: Release current version and update with a phase 2 - perhaps in latter half of 2020
- Ryan H perspective - has feedback that was not provided earlier
    - Fairly lengthy - needs trimming - eg. section 3 might be cut
    - No specific conclusions stated
    - Some items labeled "EUAG recommends" - Ryan doesn't feel these recommendations were adequately discussed
        - Ryan suggests saying "Survey indicates" rather than "EUAG recommends"
- To add the contributors names
- Promotional webinar based on the whitepaper - live webinar using zoom and a set of contributors

**ONAP release G priorities**

- ONAP has a requirements subcommittee and is consolidating requirements on behalf of ONAP Alessandro Gerardo D'Alessandro
