

Intro to Open Source and LFN 2020-06-22

Date

22 Jun 2020

Attendees

Topic Leader: [Heather Kirksey](#)

Overview

Much of the event will rightly be focused on deep dives and moving the ball forward on specific work items, but for new members, new folks at existing members, and interns, some background context and overall shaping of how progress occurs in such a large and diverse community can be quite useful.
