        - Beth Cohen and Nick Chase are developing the Proposal Presentation
        - 1St Meeting scheduled for 7/28
        - user-20f1f discussed Community aspects vs project
            - Jim Baker - committee structure not well codified
- Feed back from Jim Baker - We should do a review of each proposal with some of the LFN team
    - Jim Baker to provide additional information Scot Steele to distribute
- Discuss/Define timelines for proposal reviews **45Min**
    - Objective: LFN GB must be able to determine funding model for 2021 in October.
        - To fulfill the objective, LFN GB requests Proposals for all options be presented on the August 19th Board meeting.
        - Orange has expressed concerns that timing requested excludes them and other EU participants due to their Holiday schedule.
    - Proposed Timeline to accommodate LFN GB request
        - Proposals will be developed to a minimum level of 3 Slides (see Template file included on notes)
        - Minimal Proposal reviews could be conducted as follows:
            - CNTT as a Formal LFN project - July 30
            - CNTT as an LFN Committee - Aug 7
            - CNTT Merges with OPNFV - Aug 14
        - Community could be polled on preferred option - Aug 14-18.
        - Presentation of Minimal proposals could be provided to LFN Administration for preparation for August 19 board meeting August 17
        - Proposals could be reviewed by CNTT Governance august 18
        - Presentation of proposals to LFN GB should be done on August 19
    - Please review the recording:
