"I have been and always shall be your friend."

No matter our differences in temperaments and skills, let's build the structure and governance we need to live long and prosper.

### **Purpose**

This task force will focus on the higher level strategic aspects of setting up the new organization for success.

Scope: Organizational and TSC structure, technical charter, legal team engagement, and operating procedures

## New - Updated Anuket Technical Charter for Review

### **Redline Against Previous OPNFV Charter**

### **Clean Charter Version**
