 - Days 2+: some leaders were looking for more outside participation/comments; if so, the session format should be tweaked such as naming the session accordingly ("Readout session" vs "Working session" vs "Participation session") and introducing the session as whichever type so that people know ahead of time.
- Mission and Scope statements [Heather Kirksey Scot Steele](#)
 - Socialize the draft scope for the Anuket technical charter
 - Socialize the draft mission statement for Anuket
 - "Interim" TSC proposal and election
