

2021-02-04 - OpenDaylight Documentation Talk

Topic Leader(s)

- [Guillaume Lambert](#)

Topic Overview

Migration of best practices and new contributors guide from the old wiki. New spell checkers. Thoughts on what are the next steps. Open discussion on the best strategy to migrate the rest of the the old material and to update it. Call for contributions.

Slides & Recording

LFN-DDTF - OpenD...ntation talk.pdf

OpenDay...ion.mp4

Minutes

[Luis Gomez](#) propose a meeting every 2 weeks - A PTL election might help.

[Robert Varga](#) need help to link JIRA ticket for release notes. <https://git.opendaylight.org/gerrit/c/docs/+93254>

[Casey Cain](#) we need to list where newcomers can help on a page somewhere

[Szymon Golebiewski](#) we can start with readthedocs guide - people need a guide with baby steps at the beginning.
