

2021-02-02 - TF Release Process - an invitation to the Community

Topic Leader(s)

- [Marek Chwal](#)
- [Szymon Golebiewski](#)

Attendees:

- [Szymon Krasuski](#)
- [Casey Cain](#)
- David McBride
- [Prabhjot Singh Sethi](#)
- [Sukhdev Kapur](#)
- [Yuya Kawakami](#)

Topic Overview

2020, though quite a tough year, was a good year for the TF Community. We managed to achieve big progress. To keep this momentum we would like to engage more and more our members and also be more and more transparent for new potential participants. During the presentation we present the Release process milestones and steps discussed and agreed upon in the Tungsten Fabric community to achieve proper cooperation and transparency for all existing and potential developers and committers.
