

2021-02-04 - ONAP: ONAP/O-RAN/OSC Alignment - Updates and Roadmap

Topic Leader(s)

- [Swaminathan Seetharaman](#)
- [Martin Skorupski](#)
- [John Keeney](#)

Topic Overview

Updates of ONAP/O-RAN/OSC alignment, and proposed way forward

This session provides an update of the alignment actions between ONAP/O-RAN/OSC and propose way forward for increased collaboration in the months ahead. The objective is to improve the collaboration and synergies in realizing end-to-end 5G use cases while aligning with O-RAN specifications

Slides & Recording

- Slides:

- Audio (Only):

- Video (MP4 hi-res)

- Video (MP4 lo-res)

Attendees:

- (Taken from Zoom)
