## Minutes

### 2021 Release Planning

- [Anuket Assured Re-Launch Release Plan](#)
- Mock up of the listing pages requirements
  - Attempt to demonstrate the clear distinction between the cloud native and VM systems.
  - Must show what listing pages will look like with both cloud native and VM systems.
  - Company with multiple products "certified" in one category (cloud native or VM)
  - Company with multiple products "certified" in both categories (cloud native and VM)
  - How do multiple sub-categories appear (i.e. ONAP and CNCF)?
  - How does a listing appear if a company "adds" a sub-category to an already listed product (i.e. adding ONAP or other updates)?
  - Where does the badge link go (i.e. a hyper link)?
  - How do the listings differentiate between badge revisions (i.e. Release I vs Release J)?
  - What other attributes need to be shown, i.e. SUT versions, model names, documentation links?
  - Listing should include the date when badge was awarded.
- [Anuket Assured Badge Processes](#) has been started, will be ready for next week.

☑ Marc Price and Olivier Smith to develop a mock up of the listing page, to review at an upcoming CVC meeting.

## Results Formats

- [Test Results Information Model](#)
- Should solicit review from the RC2 team, to collect feedback on what is missing or needs to be changed. Next RC2 call should be Thursday. [Olivier Smith](#) and [Lincoln Lavoie](#) will join this call.

## Any other business

- [Nominations for CVC leadership](#) are still open through April 29. Voting is starting April 30.
- Next Meeting: May 3, 2021
- May 10, 2021, Lincoln will have a conflict.
