Minutes

- **Staff Update**
    - Jim Baker has a new career relaxing and fishing full time 😉 https://lists.lfnetworking.org/g/lfn-euag-members/message/617
    - Kenny Paul will be picking up the EUAG TPM responsibilities

- **AI/ML Usecase**
    - Sridhar Rao shared a presentation on Anuket Thoth project
    - Data driven analytics
    - starting with failure prediction as first use case
    - **Asking EUAG to provide samples of failure data to help training the model**
    - The data can be made anonymous t
    - Ideally we would like to build a scrubbed and anonymous open source dataset that can be public and used by anyone.

- **AI Whitepaper**
    - Yuhan Zhang shared a presentation on the status
    - Building a test and certification for intelligent networking is a common need
    - Recommend using OVP 3.0 badges

AI_Whitepaper _...0720_yuhan.pptx

- **Join Meeting with Anuket**

- Teams met during the June DTF
- Would like to have another meeting between EUAG and Anuket TSC
- Lei Huang will confer with Beth Cohen and will set it up
