Minutes

2021.r1 Release

- Release Merge Request: https://gitlab.com/lfnetworking/cvc/anuket-assured-docs/-/merge_requests/2
- FIXMEs in the merge request
 - Still working through these, aiming to finalize these this week.
- "How-to" guide needs to be migrated from the original program sites - Need to put together a MR to capture that material.
- Need to add the current program graphics into the git-lab repo.
- Initial participants at launch
 - Need to seek some operator partners to help champion the uptake of the program
 - [Heather Kirksey](#) is having conversations with the previous program participants and operator members
- Need to finalize our release process (i.e. content freeze, review, fixes, and tagging)
 - For this release, we need to also have "plan-B" ready for what would be in place of landscapes, if they won't be ready in time for ONE Summit.

- [Lincoln Lavoie](#) to migrate the how-to guide from the original program sides into markdown / READ ME documentation.
- [Brandon Wick](#) to send Lincoln a copy of the current graphics when he returns from vacation (expected week of August 30).
- [Lincoln Lavoie](#) to propose a timeline for the release plan for the next meeting (August).

EUAG Updates

- Updates provided to the EUAG on the Tuesday, August 17.
- Planning to update the EUAG white paper on testing to cover the Anuket Assured Program.
- Need to ensure the white paper correctly addresses / references the cloud native aspects that will be included in the first AAP launch.
- Need to develop a list of marketing materials and deliverables for the launch of the program at One Summit (ONES).

- [Heather Kirksey](#) & [Sandra Jackson](#) to create a list of deliverables that are being tracked for the ONE Summit launch

Any Other Business

- Next Meeting: August 30, 2021 ([Marc Price](#) will chair, [Lincoln Lavoie](#) isn't available)
