

2022-01-11 - ONAP: Release Process Review and Istanbul Retrospective

Topic Leader(s)

- [David McBride](#)

Topic Description

30 min [David McBride](#) Review release process changes that were implemented during the Istanbul release

30 min [David McBride](#) Review lessons learned during the Istanbul release

Topic Overview

We will review the effect of release process changes that were approved prior to the Istanbul release. In addition we will conduct a retrospective on the Istanbul release, as we usually do.

Slides & Recording
