Welcome to the EMCO Wiki - Archived

The EMCO project is Archived as of January 6, 2024. These Wiki pages can no longer be edited by confluence users. Contact emco-questions@lists.project-emco.io with any questions.

- What is EMCO, an open source project under Linux foundation, what problems does it solve, its role in edge computing, initial code donated by Intel, name of key contributors
- Relationship between EMCO, Akraino, ONAP with some diagrams
- Key Tenets
- Developer Resource Links
    1. Contributor's Process
    2. Slack Channel
    3. Project Email
    4. Community Meeting Link

✅ **Welcome to your new space!**

Confluence spaces are great for sharing content and news with your team. This is your home page. Right now it shows recent space activity, but you can customize this page in any way you like.

Complete these tasks to get started

- ☑ Edit this home page - Click Edit in the top right of this screen to customize your Space home page
- ☑ Create your first page - Click the Create button in the header to get started
- ☑ Brand your Space - Click Configure Sidebar in the left panel to update space details and logo
- ☑ Set permissions - Click Space Tools in the left sidebar to update permissions and give others access
