## Minutes

### Release 2021.10

- Legal documents: Legal gave their "thumbs up", LF Staff are doing a last check, and then will publish them to the page. [Brandon Wick](#) will send a email to the CVC list once things are posted.
- Landscapes:
  - [Lincoln Lavoie](#) met with [Trevor Bramwell](#) and [Sandra Jackson](#) . We have the proposal Yaml schema, so we just need to get this loaded into the sandbox repo. Ideally, that will happen later this week.
  - Reviewed a new revision, with the badge category font size increased.
  - Need the first submissions to roll this out live onto the site.
- First Testers:
  - Still working on getting some initial testers.
- Websites:
  - Need to update the Anukey.io verification website / page, linking to the LFN verification page.

### Release 2022.r1
