

TSC Agenda and Meeting Minutes 07Dec2021

Meeting Recording

Attendees:

Bob Monkman(Intel)

LJ Illuzzi (LFN)

Timo Perala (Nokia)

Ravi Chunduru (Verizon)

Anshul Sharma (Calsoft Inc)

Victor Morales (Samsung)

Ritu Sood(Intel)

Igor DC (Intel)

Agenda

1. [LF Antitrust Policy](#)
2. Welcome new members
3. Opens?
4. **Tentative placeholder:** Invite to Arctos Labs this morning (Mats, Lars-Goran). They have an intelligent workload placement controller product that uses declarative inputs. They have an open source version (with limited capabilities) that has been integrated with OSM. Proposal to get an overview to identify any opportunity for collaboration/synergy
5. Orange contribution ideas? TBD, may be pushed to 12/14 or later. Orange to advise.
6. TSC Chair, TAC Representative, MAC Liaison voting underway through 12/14 (OpaVote platform)
7. LFN Developer & Testing Forum, January 2022
 - 11 EMCO topics/sessions!
8. EMCO Logo design in process. Getting help/input from the LF Marketing team.

Minutes:

[Arctos Labs Presentation](#)

Future Agenda items:
