LFN-Level Badges

Overview

LFN-Level Badges are awarded annually in the first quarter to honor the prior year's leaders, mentors, and mentees for their exceptional contributions to the LFN community. Do you have a suggestion for a different badge or award, please propose that to the TAC at lfn-tac@lists.lfnetworking.org

LFN Leader Badge

- **Criteria:** Active leadership within LFN, exemplified by participation in key LFN committees such as TAC, MAC, SPC, and LFN Governing Board, or involvement in significant cross-community initiatives like Super Blueprints.
- **Skills Demonstrated:** Open Source Expertise; Networking Proficiency; Leadership
- **Badge Type:** Leadership
- **How to Earn:** Membership in any key LFN committee or active participation in recognized cross-community efforts.

LFN Mentee Badge

- **Criteria:** Successful completion of a project within the LFN Mentorship Program, which offers structured learning experiences for new developers.
- **Skills Demonstrated:** Open Source Expertise; Networking
- **Badge Type:** Leadership
- **How to Earn:** Successfully complete an LFN Mentorship Project.

LFN Mentor Badge

- **Criteria:** Committed mentorship of one or more new developers through the LFN Mentorship Program.
- **Skills Demonstrated:** Open Source Expertise; Networking; Mentorship
- **Badge Type:** Participant
- **How to Earn:** Propose and complete an LFN Mentorship Project as a mentor.

Project-Level Badges

Overview

Project-Level Badges are issued based on data from LFX Insights. Most badges are awarded automatically, except for certain categories like Leadership and Ambassador badges. Do you have a suggestion for a different badge or award, please propose that to your project TSC mailing list and the [TAC](#).
