Topic Description

60 Min / Heather Kirksey

Overview of LFN's organizational and operation structure and of open source participation at a high level.

Topic Overview

How do you all work together in LFN? Why is the community structured this way? Questions such as these are common whether you are an open source veteran coming to us from another project, or someone that is brand new to open source contribution. This session provides some valuable background and context about LFN operational "norms" and insight into how progress occurs in our large and diverse community.
