

ONAP/ODL Collaboration Meeting notes 2022-05-17

Date

Attendees: Robert, Dan, Brandon, David, Casey

Topics

ONAP Kohn release

- Moving forward with ODL Sulfur release for Kohn.
 - Dan says that this will allow more time to adapt to new RESTCONF in ODL Chlorine for the London release.
 - At this time, Dan is optimistic about Sulfur integration with Kohn
- Robert: [patch to remove Bierman 02](#)
 - [RESTCONF Protocol draft-bierman-netconf-restconf-02](#)
- May need to dual-license bierman 02.
 - Need LF legal input.
 - Dan to send David and email describing the licensing proposal
 - David will submit a ticket to LF legal
 - Not an issue until Chlorine / London timeframe (4Q22, 1Q23)
- [Schedule for Chlorine release](#)
