# 2022-06-14 - Anuket: Leftovers of the merger are still with us

#### Topic Leader(s)

### **Topic Description**

We had the OPNFV and CNTT merger to Anuket more than one year ago, still we have lots of leftovers of this merger. Let's craft a plan how to get rid of these.

## **Topic Overview**

Some leftovers to be addressed from the top of my head:

- CNTT organisation and repos in GitHub (https://github.com/cntt-n/CNTT/)
- CNTT in readthedocs (https://cntt.readthedocs.io/)
- OPNFV artifacts (http://artifacts.opnfv.org/)

Let's discuss if we would like to change these and if yes craft a plan to do so.
