

2022-06-16 - ODL: Supporting commercial OpenDaylight deployments

Topic Leader(s)

- [Ivan Hrasko](#)

Topic Description

30m, [Ivan Hrasko](#)

Introduction of commercial OpenDaylight deployments: challenges, best practices and available ecosystem solutions.

Topic Overview

OpenDaylight moves at a rapid (6 months) cadence. This introduces a number of challenges to downstream users, notably in the area of validation, deployment and support (nominally 18 months).

This topic will discuss the challenges involved in supporting commercial OpenDaylight deployments. We will highlight best practices and solutions available in this space.

Slides & Recording
