Agenda & Minutes

DUE to low participation the meeting today was canceled.

The agenda below will be used for the next meeting on **2022-08-15**.

Standing Items:

- Review Open Action Items
- Review Issues in Gitlab

This week:

- Status of 2022 Badges (Any progress on requirements and tests for a possible 2022 CNF badge for R2?)
- Call for volunteers - Working session on improving the structure and content of [Verification – LF Networking](#). Goal is to make our "offerings" clearer and to improve the instructions for "how to" apply for a badge.
- Email for Anuket Assured Participation Form
