

ONAP/ODL Collaboration Meeting notes 2022-08-16

Date

16 Aug 2022

Attendees

David McBride , Casey Cain , Dan Timoney

Topics

- Dependencies questionnaire
 - Dan has looked at it. Still needs to complete.
 - First question is the the repo name.
 - ccsdk/odl-legacy (or similar) - suggested by Kenny
 - Dan intends to complete the questionnaire by our next sync meeting
 - We will plan to review and finalize the questionnaire at the next meeting
 - provide copy to Scott Nicholas when completed (for reference, no review required)
 - We will also discuss a date for review with the TSC
- London release schedule and ODL integration
 - David will have a draft schedule available for review at our next sync meeting

Action items

- ☐ Dan Timoney to complete the dependencies questionnaire by our next sync meeting on **20 Sep 2022**
- ☐ David McBride prepare draft schedule for the London release for review at the next sync meeting on **20 Sep 2022**
