

# 2022-11 - ODL: Release automation

## Topic Leader(s)

- [Robert Varga](#)

## Topic Description

60m, [Robert Varga](#)

Most of OpenDaylight projects are now release-integrated. We will explore how we can get closer to CI and having much faster release process.

## Topic Overview

Most of the release process is automated, but there are manual steps. Most of these can be further automated, provided some simple tooling and interactions with Gerrit/Jenkins.

## Slides & Recording

### YouTube

Please indicate your session type in the blank space below and then remove this Info field.

- Demo / Informational (non-interactive)
  - You may be asked to pre-record this session which will be made available on-demand.
- Live Interactive Session

LFN Staff may elect to publish some videos to YouTube. Please indicate here if you do not want your session to be published to YouTube.
