Open Action Items

Task report

Looking good, no incomplete tasks.

Agenda & Minutes

Standing Items:

- Review any Open Action Items (from weekly Minutes)
- Review any Issues in Gitlab

Topics for this week:

- Status of RI2 - Scot
  - We now have a fully functional RI2 in the UNH
  - Cedric is working with team to review and resolve issues on testing (RC2 Compliance Testing)
  - RC2 Compliances - Platform testing of R2 infra (ensures all the MUST requirements are tested)
  - Ideally, we have a blog published by LFN
- Status of Anuket Assured Web Information (Structure & Content) - Sandra
  - In progress but ONE Summit is current priority
- Status of Anuket Assured Program Documentation - Kodi/Yan
  - Yan said she would start having a look and thinking about ways in which our program documentation can be improved (structure and content).

New Action Items

- None
