Open Action Items

Task report

Looking good, no incomplete tasks.

Agenda & Minutes

Standing Items:

- Review Open Action Items (from weekly meeting minutes)
- Review Open Issues in Gitlab

Topics for this week:

- Review of Anuket Assured plan:
  - Progress/status check
    - Infra tests for RI2 up and running in the UNH lab
    - Second pod for RI2 testing for Nile release now set up in UNH lab

  - Any tasks missing or unclear?
    - We discussed the need to identify workstream leads.
      - Scot Steele has kindly agreed to drive the workstream for perquisites to the 2 Anuket Assured badges.
      - Lincoln Lavoie has kindly agreed to drive the workstream for Certified Anuket Assured Lab
      - We still need someone to lead the workstream for Certified R2 CNF so if you are interested, please speak up!

  - Any roadblocks or hinders to progress?

- Upcoming opportunities to contribute.
  - Tuesday Feb 7 (12-13 EST) - CNCF & LFN/Anuket Collaboration Meeting. **Minutes/Agenda are here:** CNCF and Anuket Collaboration Meetings

- Any other business

Plan: AA 2023 Plan for New Badges.xlsx

New Action Items

- None
