

2023-02-13 - Plenary: Cultural Adjustments in OpenSource projects to Drive Telco Industry Synergy/Progress

About Plenary Sessions

A Plenary session implies that all attendees are expected to attend due to either their relevance or importance to LFN as a whole.

This usually means that no other sessions will be running in parallel. Topics may be reclassified as "General Interest" by the Program Committee to run as a parallel session if deemed appropriate.
