Agenda

Awesome presentation

- AAP will expand the badge scope to CNF workload and lab in 2023
- In order to support CNF testing some other questions for ONAP community
 - The most valuable CNF testing and certification requirements for CNF vendors and operators?
 - The minimum conformance and validation requirements for CNF that can be included in the 2023 AAP release?
 - Which release would be used for 2023 AAP CNF badges?
 - Which project will define the test requirements?
 - Which project will support the above test cases implementation?
 - Are there potential vendors that can participate the CNF badges?

Minutes

1. Is CNF V&V only possible by AAP? Are there any other organizations that offer independent testing and certification?
2. Follow does CNCF offer compliance service?
3. What is the unique value of AAP? If CNCF has similar offering?
4. This is the program for the CNCF <https://www.cncf.io/certification/cnf/>

Action Items
