2023-02 - TF: Open Project Discussion Forum

Topic Leader(s)

- Sayali Mane
- Nick Davey

Topic Description
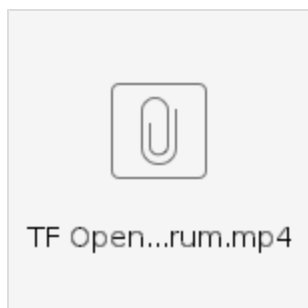

60m, Nick Davey

This topic will be an opportunity to meet with the engineering leads, and community leads of TF and hear about our plans for the year, ask questions about the project, and interact as a community.

Topic Overview

This meeting will be a combined discussion of the community and engineering leads of the TF project. We will cover our plans for the year, as well as answer questions from the community.
