Minutes/Updates

- 2023 LFN Events Plan - Heather

- Try to co-locate with other events as much as possible.
 - IETF, SigCom, NANOG, etc.
 - Participated in IETF Bits and Bytes
 - Good conversation, but difficult to get OSS people to IETF (not funded for this)
 - L3AF and Cloud Native eBPF day have overlap
 - DT&F June virtual
 - integrate "quiet periods" into the event calendars
- **Issue discussion/Dev updates**
 - L3AF R2
 - L3AFD v2.1
 - L3AF on Windows
 - Updates: [LFN Mentorship Program for L3AF on Windows](#)
- **Release Management readout - Dhivya**
 - Outline for progress timeline - next connect.
- **Walmart Open Sourced Traffic Mirroring - Blog**
 - Blog is ready and going through approval process internally (about 2 weeks)
- **Any Other Business**
- Discuss RBAC [PR](#) next meeting.
- Complete Traffic Monitoring [PR](#)
