Attendees

[David McBride](#) [Casey Cain](#) [Robert Varga](#) [Dan Timoney](#)

Topics

Review ONAP and ODL release schedules for 2H23 and align on ODL integration in the ONAP Montreal release.

[Montreal Release Schedule](#)

After discussion, [Dan Timoney](#) suggested that it would be best to stay with the ODL Argon release, which is available now.

Argon SR2 will be available by Montreal M3.
